

Completion of Ph.D. Degree Breadth Requirements

This form should be completed once all requirements have been met. Completion of these requirements, along with completion of the Ph.D. Research Qualifier, signifies that a student has finished the WPI Computer Science Department Qualifying Exam. A WPI transcript showing courses completed and grades should accompany the submission of this form.

Name: _____

Student ID: _____

Local Address: _____

Grad Credits Completed: _____

Completed Ph.D. Bins

Essential Bins

Course #	Title	Semester	Bin	Grade
			Theory	
			Algorithms	
			Systems/Networks (circle one)	

Additional Bins (Specify three from Design, Compilers/Languages, Graphics/Imaging, Artificial Intelligence, Databases, (Systems or Networks—not the same as above))

Course #	Title	Semester	Bin	Grade

Grade requirements: only courses with a grade of at least a B may be used to satisfy a bin. Students must achieve an A grade in at least four of the six bins, including an A grade in an least one essential bin.
