# TECHTrek WORCESTER

**CALLING CURRENT WORCESTER DATA SCIENCE, COMPUTER SCIENCE,  
MATHEMATICS & ENTREPRENEURSHIP STUDENTS!**

*Meet leaders from data-driven companies*

The Massachusetts Technology Collaborative – in partnership with The Worcester Chamber of Commerce – is offering juniors, seniors, and grad students from leading computer science, mathematics, and business programs in Worcester the opportunity to connect with data-driven companies. This is your opportunity to meet with leaders from analytics organizations, hear from leading data scientists and connect with other students from other schools in similar programs. This event is open to all Worcester-area colleges and is hosted at WPI.
