Artificial
Intelligence in
Design
'96

Fourth International Conference on
Artificial Intelligence in Design

24–27 June 1996
Stanford University, USA

Conference Workshops
22–23 June 1996
Stanford University, USA

workshop notes

Machine Learning in Design

Convenors:
Alex Duffy, University of Strathclyde, UK
Dave Brown, Worcester Polytechnic Institute, USA
Ashok Goel, Georgia Institute of Technology, USA

Fourth International Conference on Artificial Intelligence in Design (AID'96) is sponsored by:
Key Centre of Design Computing, University of Sydney, Australia;
Center for Integrated Facility Engineering, Center for Design Research and Knowledge Systems Laboratory, Stanford University, USA
