Worcester Polytechnic Institute (WPI)
How much of the WPI area did you know Freshman year?
How many days did it take you to explore off campus?
The Problem

Students who spend most of their time on campus...

- Do not contribute to city culture.
- Do not have a clear sense of the city their school resides in.
- Do not appreciate their surroundings.
ExploreGreaterWPI

Application will be a way for students to explore the greater WPI area.

- Used by students who want to leave campus but don’t know where to go.
- Used by Insight groups.
- Used by freshman to find food and entertainment.
- Used by new professors

The Newton Hill portion of Elm Park (west of Park Avenue) remains minimally landscaped and contains basketball and tennis courts, walking trails and also Doherty Memorial High School, a high school within the Worcester Public Schools system.

Modern setting for custom burgers served with craft beers, unique cocktails & spiked milkshakes.

The Worcester Art Museum, also known by its acronym WAM, houses over 35,000 works of art dating from antiquity to the present day, representing cultures from all over the world.

Moore State Park is a 737-acre public recreation area located in the town of Paxton, Massachusetts, portions of which were listed on the National Register of Historic Places as the Moore State Park Historic District in 2004.
Insight Group Scavenger Hunt

- Incorporate ExploreGreaterWPI with Freshman CA groups
- Each group gets uses one phone with the app and goes to visit all of the locations in the area.
User Testing

- Interesting Locations
- How far is too far for freshman?
- $10 radius using Uber?
- 20 minute walk radius?
- Wachusett Mountain?
- How many locations is too many?
- If we add too many nobody would visit all of them.
What are some places you like to visit in Worcester?
