

Additional Questions for Course Evaluation

Each question should be answered with one of the following on the Likert scale:

- 1 – Strongly disagree
- 2 – Disagree
- 3 – Neutral (or N/A)
- 4 – Agree
- 5 – Strongly agree

- 19. The textbook was helpful in understanding the concepts.
- 20. Having the persona (Russell and Gonzo) helped make the class a better learning experience.
- 21. I personally communicated with Russell and/or Gonzo via IM or e-mail.
- 22. The lack of traditional structure (e.g. lecture from the book materials) was a good way to learn.
- 23. I found pair-programming useful.
- 24. User stories are a good way to capture requirements and plan the project.
- 25. SourceForge made the project easier to work on.
- 26. The amount of chaos, change, and uncertainty was a good learning experience.
- 27. The weekly iterations and meetings with Russell and Gonzo were helpful.
- 28. Our team accomplished more than I thought we would at the beginning of the project.
