Homework 2–3: Satisfaction and Boolean Functions

CS521, Professor Guttman

Due: 2 Feb 2010

Have a look at the translation exercises as posted at the course web site:

http://web.cs.wpi.edu/~guttman/cs521_website/translation.html

and work through as many of them as you need to in order to get comfortable. Don’t turn them in, but ask questions in class.

**Work through** all the problems in Sections 2.2–2.6, but you do not have to turn them all in.

**Turn in** Exercises 2.4.2, 2.6.1, 2.6.2, and 3.2.4.
